EMI is a non-denominational organization, open to all who share belief in Jesus Christ. Our common doctrine of faith is in Jesus Christ as the eternal Son of God. He was born of a virgin and walked among us as a human being. He died on a cross so that all who believe in him may be saved from their sins and have eternal life. He was raised from the dead and ascended into heaven. He will someday return in power and glory to judge the world.

EMI is an evangelistic outreach and exists to promote net weaving among the Christian horse community. Our members are a mixture of equine industry professionals and people from various walks of life who ride horses for pleasure and/or show. Some own horses; some breed horses; some buy and sell horses; but all appreciate the grace and beauty of horses. All equestrian disciplines and breeds are included and encouraged.

All members of SCEM/EMI receive the following newsletters:
***Heavenly Hoofbeats*, edited by Lori M. Smith, published quarterly.**
***The Trailwriter*, edited by Chris Brancheau, published six times a year.**

South Carolina Equestrian Ministries

A chapter of Equestrian Ministries International.

Equestrian Ministries International (EMI) was formed in 1995 by eight Christian men with a mutual vision of an international ministry involving horses in sharing the love of God. From that vision, the South Carolina chapter was formed in 1997 and continues to grow. EMI is currently represented in several other countries.

South Carolina Equestrian Ministries (SCEM) is an organization of believers in Christ who share an interest in horses and wish to be involved in a ministry designed to reach out and share the love of God.

Under each state chapter, individual fellowships are formed, comprised of Christians who desire to use their horses to honor God and further His Kingdom.

Please join us in this important ministry. Horse ownership is not required....only faith in God and His Son.

See inside for a list of fellowships and contact information.
